Re: San Francisco Update

As you know, the industry hosted a very successful [Coalition rally](#) opposing Supervisor Chiu's proposed legislation in San Francisco on Monday March 14. You can click [here](#) to view a video of the event.

Members of the Coalition will be speaking out against Supervisor Chiu's proposed legislation today at a meeting of the City Board of Supervisors. If you haven't spoken out against this legislation there is still time, click [here](#) and make your voice heard.

I will keep you informed of our progress as it occurs.
