Re: SunShine Pages Advertising

Dear Ms. Durand:

I recently received the new edition of the Tangipahoa SunShine Pages. I wanted you to know that I am very pleased with the result. After advertising with the SunShine Pages for the last few years, I am not surprised. You and your company have always lived up to the standard of professional representation and reasonable prices that I have come to expect.

Thanks for your help. I look forward to seeing my advertisements in the upcoming St. Tammany Edition.

Sincerely,

A. David Aymond,
Attorney at Law
